

*Praise God from whom all blessings flow!*  
*Thanksgiving 2019 Spanish Health Ministry*

Thanksgiving is a time to reflect on God's provisions and answers to prayer. Please thank God and pray for those who make up the Spanish Health Ministry.

- New office volunteers, **Vivian Haines**, staff support and **Ed Mytych**, IT support, who is making our new computer system work more smoothly. SHM treasurer, **Susan Barczak's** husband, **Steve**, recuperated from a devastating car accident 2 years ago and helps with office/ building needs along with **Lee Holtzclaw**.
- **Janet Johnson** and **Edie Neithercott**, long term, 20+ years, office volunteers. They along with Vivian do important behind the scenes work that keeps the SHM functioning. As we become more computer efficient the ladies are cleaning out hundreds of paper files on our patients! They do our receipts and prayer letters.
- **Ethel Sosa** and **Heather King**, two new part-time Spanish speaking office staff. Both are new to the area and learning about our local medical resources and the SHM.
- **Bonnie Martin**, faithful, original, staff member has spent hours orienting Ethel and Heather as well as using her bilingual skills to translate for our families and transport them to medical appointments. Her 40 years of experience with the SHM is invaluable.
- **Tabitha Pfitzenmeyer**, Children's program/volunteer coordinator, has overseen amazing growth in our VBS and Good Friday programs as well as teaching Bible lessons to the children during weekly Bible study. Pray for more volunteers to help on Fridays.
- **Dona Sensenig**, director, bilingual nurse and Bible teacher and our dedicated board of directors oversee the present work of the SHM and seek the Lord for the future. **Lois Aldrich, Leigh Kelleher, Chuck Lunden, Addison Scott** and **David Smyth** each bring unique insight, direction and prayer to the running of the Spanish Health Ministry. Pray for their meetings on the second Friday of each month.
- **Jack O'Brien** and **Pat Paredes** both come from a distance to lead the men's Bible Study every other Friday night at the Spanish Health Ministry. They teach the annual Hispanic Bible Conference at America's Keswick. We were able to take 90+ folks In March. They also make sure we have a men's class at our summer family VBS.
- **Volunteers-** Praise God for those who help with driving to medical appointments and Bible study, help with VBS, Good Friday and do childcare. These aspects of the SHM would not be possible without their assistance. The families are grateful for their help. In a time when there is much hostility towards the Hispanics, the families so appreciate their love and concern for them in the name of Jesus. Even without speaking Spanish they are a tremendous witness for Christ! May God bless each of them!
- **You**, our faithful supporters, who generously give of your gifts, prayers, time and talents all of which make it possible for us to be here in our 40<sup>th</sup> year! We receive no government support. God's people provide for the SHM and we sincerely thank you!
